**Snitch** Edyth Bulbring

2020-10-06 High schools are jungles. And there are rules for surviving. All teenagers need to know these rules. They're pretty

simple: never let your mom drive you to school in her dressing-gown. Never let her comment on your Facebook page. Never let her choose your clothes. Especially not your underwear. Common sense, right? Thirteen-year-old Ben Smith, flying under the radar at St David's, a rugby-worshipping school, knew all the rules. His mom knew them, too. That's why he trusted her to be cool. But then Ben broke the most important rule of all: never tell your mom stuff. First, he spilled the beans, then she did. And all hell broke loose. Ben wasn't Ben, Benno, Ben-dude anymore. He was the rat, the weasel, the sneak. He was

People are Living There Athol Fugard 1970

Triomf Marlene Van Niekerk

2005-03-29 “A scatological black satire . . . Triomf may be the signal Afrikaans novel of the 1990s . . . A daring, vicious and hilarious flight of imagination” (The Washington Post). This is the story of the four inhabitants of 127 Martha Street in the poor white suburb of Triomf. Living on the ruins of old Sophiatown, the freehold township razed to the ground as a so-called “black spot,” they await with trepidation their country’s first democratic elections. It is a

date that coincides fatefully with the fortieth birthday of Lambert, the oversexed misfit son of the house. There is also Treppie, master of misrule and family metaphysician; Pop, the angel of peace teetering on the brink of the grave; and Mol, the materfamilias in her eternal housecoat. Pestered on a daily basis by nosy neighbors, National Party canvassers and Jehovah’s Witnesses, defenseless against the big city towering over them like a vengeful dinosaur, they often resort to quoting to each other the only consolation that they know; we still have each other and a roof over our heads. Triomf relentlessly probes

Afrikaner history and politics, revealing the bizarre and tragic effect that apartheid had on exactly the white underclass who were most supposed to benefit. It is also a seriously funny investigation of the human endeavor to make sense of life even under the most abject of circumstances. "South Africa as you've never seen it: a tale of incest and white trash. Funny, feisty, ferociously clever." –Gillian Slovo, author of Ten Days "A world-class tragicomic novel, the kind of book that stabs at your heart while it has you rolling on the floor." –The New York Times Book Review

Waste of a White Skin Tiffany Willoughby-Herard 2015-01-06  
A pathbreaking history of the development of scientific racism, white nationalism, and segregationist philanthropy in

the U.S. and South Africa in the early twentieth century, *Waste of a White Skin* focuses on the American Carnegie Corporation's study of race in South Africa, the *Poor White Study*, and its influence on the creation of apartheid. This book demonstrates the ways in which U.S. elites supported apartheid and Afrikaner Nationalism in the critical period prior to 1948 through philanthropic interventions and shaping scholarly knowledge production. Rather than comparing racial democracies and their engagement with scientific racism, Willoughby-Herard outlines the ways in which a racial regime of global

whiteness constitutes domestic racial policies and in part animates black consciousness in seemingly disparate and discontinuous racial democracies. This book uses key paradigms in black political thought—black feminism, black internationalism, and the black radical tradition—to provide a rich account of poverty and work. Much of the scholarship on whiteness in South Africa overlooks the complex politics of white poverty and what they mean for the making of black political action and black people's presence in the economic system. Ideal for students, scholars, and interested readers in areas

related to U.S. History, African History, World History, Diaspora Studies, Race and Ethnicity, Sociology, Anthropology, and Political Science.

**The Sweet Girl** Annabel Lyon  
2013-06-04 From the award-winning author of *The Golden Mean*, a captivating, wholly transporting new novel that follows Aristotle's strong-willed daughter as she shapes her own destiny: an unexpected

love story, a tender portrait of a girl and her father, and an astonishing journey through the underbelly of a supposedly enlightened society. Aristotle has never been able to resist a keen mind, and Pythias is certainly her father's daughter: besting his brightest students, refusing to content herself with a life circumscribed by the kitchen, the loom, and, eventually, a husband. Into her teenage years, she is protected by the reputation of her adored father, but with the death of Alexander the Great, her fortunes suddenly change. Aristotle's family is forced to flee Athens for a small town, where the great philosopher

soon dies, and orphaned Pythias quickly discovers that the world is not a place of logic after all, but one of superstition. As threats close in on her—a rebellious household, capricious gods and goddesses—she will need every ounce of wit she possesses, and the courage to seek refuge where she least expects it. This ebook edition includes a Reading Group Guide.

*Around Africa on My Bicycle*  
Riaan Manser 2009-06-01 In a world first, almost incredibly, Riaan Manser rode a bicycle right around the continent of Africa. It took him two years, two months and fifteen days. He rode 36 500 kilometres

through 34 different countries. In this book he tells the story of this epic journey. It is a story of blood, sweat, toil and tears. It is a story of triumph and occasional disaster. Of nights out under the stars, of searing heat and rain, of endless miles of Africa and of pressing on and never surrendering whatever the odds. Mostly however it is the story of one mans courage and determination to escape the mundane and see the continent he loves and feels so much a part of. It is the story of the human warmth he encounters, and occasionally human wrath and hostility as he crosses troubled countries and borders. Riaan Manser was born in 1973

in Pretoria. He grew up in Zululand and attended John Ross College in Richards Bay. After studying Human Resource Management he took a job in the medical industry. He has been a lifesaver, a surfer and a rugby player. When he took his bicycle to ride around Africa it was as a commitment to do something entirely extraordinary with his life. He is now an author and motivational speaker -- and is looking for his next adventure.

**Coleridge's Laws** Barry Hough  
2010-01-01 Samuel Taylor  
Coleridge is best known as a great poet and literary theorist,

but for one, quite short, period of his life he held real political power - acting as Public Secretary to the British Civil Commissioner in Malta in 1805. This was a formative experience for Coleridge which he later identified as being one of the most instructive in his entire life. In this volume Barry Hough and Howard Davis show how Coleridge's actions whilst in a position of power differ markedly from the idealism he had advocated before taking office - shedding new light on Coleridge's sense of political and legal morality.

**The Music Box** Toby Bennett  
2019 “John Schmitt and his mother Maribell live in the small town of Dowdale. John is a

teenage schoolboy who has just been offered an scholarship to a prestigious school. His mother is a religious fanatic and given to strange spells. She is terrified of demons and that John has something evil about him. John escapes to a cave he has discovered to get away from his mother and her odd spells. After the offer to the new school, Maribell breaks the telephone and John flees to his sanctuary, where he has his father's tools and where he can fix almost everything, except an intriguing music box, the mechanisms of which refuse to obey his commands. After a night spent in the cave his seemingly deranged mother meets him at

school and forbids him to go back until she lets him. John gives her the slip and meets up with a gypsy teen named Lu. Together they enter a world of shifting times and places, the world that the mist threatens and protects.”--Publisher's description.

*The Untouched Key* Alice Miller

2012-05-09 As in her former books, Alice Miller again focusses on facts. She is as determined as ever to cut through the veil that, for thousands of years now, has been so meticulously woven to shroud the truth. And when she lifts that veil and brushes it aside, the results are astonishing, as is amply demonstrated by her analyses of the works of Nietzsche,

Picasso, Kollwitz, Keaton and others. With the key shunned by so many for so long - childhood - she opens rusty looks and offers her readers a wealth of unexpected perspectives. What did Picasso express in "Guernica"? Why did Buster Keaton never smile? Why did Nietzsche heap so much opprobrium on women and religion, and lose his mind for eleven years? Why did Hitler and Stalin become tyrannical mass murderers? Alice Miller investigates these and other questions thoroughly in this book. She draws from her discoveries the conclusion that human beings are not "innately" destructive, that they are made

that way by ignorance, abuse, and neglect, particularly if no sympathetic witness comes to their aid. She also shows why some mistreated children do not become criminals but instead bear witness as artists to the truth about their childhoods, even though in purely intuitive and unconscious ways.

**White Lightning** Allan Donald  
2000 In this text, Allan Donald reviews his relationship with key players and backroom staff - including Bob Woolmer, Dennis Amiss, Dermot Reeve and Brian Lara - and contrasts the unique team spirit during Warwickshire's trophy winning seasons with the later rifts that developed over the selection of

Lara as the county's overseas player.

**A Ricoeur Reader** Paul Ricoeur

1991-08 Paul Ricoeur is one of the most important modern literary theorists and a philosopher of world renown.

This collection brings together his published articles, papers, reviews, and interviews that

focus on literary theory and

criticism. The first of four

sections includes early pieces

that explore the philosophical

foundations for a post-structural

hermeneutics. The second

contains reviews and essays in

which Ricoeur engages in

debate over some of the central

themes of literary theory,

including figuration/configuration

and narrativity. In the third section are later essays on post-structuralist hermeneutics, and in the fourth, interviews in which he discusses text, language, and myths. Mario ValdEs provides an introduction to the literary theories of Paul Ricoeur and the works in this collection particularly. He also includes a complete bibliography of Ricoeur's works that have appeared in English.

### **My Name Is Vaseline**

Anoeschka Von Meck

2010-03-16 She is Helena

Bosman, from a tiny little town lost in the vast expanses of the Northern Cape, but Grandpa and Grandma call her

Vaseline. She is their little

angel from the veldt, the beginning and the end of their world. But when Vaseline is ten years old, two officials from Welfare step in and she is sent away to a boarding school in Gauteng – the orphanage where Madiba’s reject children have to live. It’s a strange, hard, dangerous world of scum children, bad-tempered matrons and a harsh, unfair principal; a world of smoking cigarette butts, having one’s hair shaved off and making plans to run away. It’s a world where no one bothers about anyone else, where you too learn not to give a damn. But as the months turn into years, there is one name

that crops up again and again:  
Texan Kirby. And that name  
does strange things to  
Vaselinetjie's heart.

**Trencherman Eben Venter 2016**  
A powerful contemporary  
retelling of Heart of Darkness.  
One rainy night in Australia,  
Marlouw's sister phones with  
the request that he fetch her  
son 'from that bloody country'.  
And Marlouw, with his club foot  
and hardened spirit, believes it  
is his fate to carry out this  
instruction. Drenched in sweat  
after an ominous flight, his  
exodus takes him through a  
South Africa where poverty is  
rife, infrastructure has

collapsed, AIDs has become  
widespread, and corruption  
reigns. He is told: 'the whites  
who've stayed on, stay because  
they're not able to leave'. Yet  
still he journeys deeper into the  
unknown -- past the suffering  
masses alongside the road to  
the outer darkness of the rural  
areas. There are rumours that  
Koert is on the old family farm,  
now in the possession of the  
family's former workers. That  
there, guarded and isolated, he  
has built himself a powerful  
empire as the King of Meat.  
Here, on Ouplaas, at the end of  
Marlouw's terrible journey, the  
heart of terror is cut open ...

2010-05-26 Set in South Africa, MindF\*\*k is a powerful, disturbing, and at times frightening story. Chris Burns, and his friends - Kerbs and Sky Eyes - take to the road, heading for the MindF\*\*k rock festival. Along the way they pick up the gorgeous Partygirl. Burns and Partygirl connect immediately. But on the first night, while the rockmusic blasts from the stage, something unexpected happens - Burns's world gets turned on its head as one of the boys emerges from the tent with blood on his hands. MindF\*\*k is a real page-turner. The gripping, character-focused, first-person narrative delves right to the heart of a life on-

the-edge and virtually out of control. Gritty, hard-hitting, and often shocking, it is packed with drama, emotion, suspense and intrigue from one page to the next. And there is a serious sting in the tail. MindF\*\*k is part of the Cutting Edge series: fast-paced, quick reads for teens and young adults looking for fiction which chimes with their perspective on life. Mindf\*\*k is a title in the highly contemporary Cutting Edge fiction series for young adults. The series features fast-paced quick reads. Each book focuses on difficult topics and situations that many teenagers will have experienced first-hand or through friends. Cutting Edge is ideal for

readers aged 14+ with a reading age of 12+.

Lesbian and Gay Studies and the Teaching of English William J. Spurlin 2000 This international collection of essays presents a contemporary overview of issues of sexual identity as they relate to teaching and learning in English from elementary through university levels. Coming from teachers in classrooms in India to North America to South Africa to Europe, the essays theorize lesbian, gay, and transgendered positions in the classroom, offer pedagogical strategies for teaching lesbian and gay studies, and examine the

broader social and political contexts that shape classroom discourse and practices. Following the introduction by the editor, the 16 essays are: (1) "Cruising the Libraries" (Lee Lynch); (2) "When the Cave Is a Closet: Pedagogies of the (Re)Pressed" (Edward J. Ingebretsen, S.J.); (3) "Blame It on the Weatherman: Popular Culture and Pedagogical Praxis in the Lesbian and Gay Studies Classroom" (Jay Kent Lorenz); (4) "On Not Coming Out: or, Reimagining Limits" (Susan Talburt); (5) "(Trans)Gendering English Studies" (Jody Norton); (6) "The Uses of History" (Lillian Faderman); (7) "'What's Out There?' Gay and Lesbian

Literature for Children and Young Adults" (Claudia Mitchell); (8) "Creating a Place for Lesbian and Gay Readings in Secondary English Classrooms" (Jim Reese); (9) "Shakespeare's Sexuality: Who Needs It?" (Mario DiGangi); (10) "Coming Out and Creating Queer Awareness in the Classroom: An Approach from the U.S.-Mexican Border" (tatiana de la tierra); (11) "'Swimming Upstream': Recovering the Lesbian in Native American Literature" (Karen Lee Osborne); (12) "Reading Gender, Reading Sexualities: Children and the Negotiation of Meaning in 'Alternative' Texts" (Debbie

Epstein); (13) "Fault Lines in the Contact Zone: Assessing Homophobic Student Writing" (Richard E. Miller); (14) "Queer Pedagogy and Social Change: Teaching and Lesbian Identity in South Africa" (Ann Smith); (15) "The Straight Path to Postcolonial Salvation: Heterosexism and the Teaching of English in India Today" (Ruth Vanita); and (16) "Rememorating: Quilt Readings" (Marcia Blumberg). **The Mark** Edyth Bulbring 2016-12-16 Sarah Lotz, internationally acclaimed author of *The Three*, and *Day Four*, describes *The Mark* as: "An entrancing, truly original novel packed with twists you won't see coming and a heroine that breaks the mould.

Unputdownable." In the future, the world has flipped. Ravaged by the Conflagration, the State of Mangeria is a harsh place where the sun beats down, people's lives are run by a heartless elite and law is

brutally enforced. A mark at the base of the spine controls each person's destiny. The Machine decides what work you will do and who your life partner will be. Juliet Seven - "Ettie" - will soon turn 15 and her life as a drudge will begin, her fate-mate

mate will be chosen. Like everyone else, her future is marked by the numbers on her spine. But Ettie decides to challenge her destiny. And in so doing, she fulfills the prophecy that was spoken of before she even existed.
