Lord Change Me James MacDonald 2012-05-01 Are you truly serious about allowing the power of God to transform your life? If you are, then prepare yourself for an incredible, life-changing experience. Change is difficult, but it's made even harder without practical guidance on how to do it. You will find that guidance in Lord, Change Me Now. James MacDonald is serious about the business of change according to God's Word. While many tell us that we should change and be more like Christ, MacDonald actually teaches us how to do it. Lord, Change Me Now is split into three sections as the model for approaching change: The Preparation for Change: choosing the right method and partnering with God to select the areas in need of change in your life. The Process of Change: exploring the biblical method of saying 'no' to sinful patterns and 'yes' to the things God desires for you. The Power to Change: explaining how to experience the power of God personally and continuously. This is a book about a different you. There are no warm fuzzies within these pages. Rather, MacDonald is a direct, to-the-point pastor with a heart for seeing lives completely transformed by the truth of the Gospel. If you're serious about changing your life, this book is just what you need.

Our Masquerade Ruth Hartman MACC 2022-06-02 Do you find yourself caught up in comparing yourself to others, performing for acceptance, or held captive to perfectionism? You are not alone. We all currently live in a world that seems to demand an acceptable identity, especially exaggerated by social media. It seems to drive us to compare how we look, what we have, and how we perform (or fail to perform). This leads us to question ourselves: What if I fail to measure up? What if I don't have what it takes? What if I'm not enough? It seems logical to hide in safety behind clever masks or high emotional walls created to avoid the judgment of others or the feelings of inadequacy, guilt, fear, or shame. Yet that means you're trapped in hiding who you are, often questioning your value and worth. Our Masquerade invites you to confront your hiding places.

You can discover how, why, and where you've learned to hide and once you've done so, you can say goodbye to tormenting thoughts and feelings that steal your confidence and your peace. You can leave the past behind and find the pathway to escape into a life transformed. This book will guide you to examine the ways in which life has induced you to hide and offers the inspiration to take off your masks, escape your hiding places, and learn to live with confidence.

In Christ Curriculum Kevin A. Krall 2015-01-15 God has a definitive plan for each and every one of us and that plan unfolds in a beautiful harmonic procession, once we see these truths laid before us in a step-by-step approach to learning and understanding via the means of allowing the Holy Spirit to be our guide and teacher. These are called the "Foundations of Truth" for the Christian Faith. They are revealed in the Epistles, which denote the establishment of the New Covenant In Christ. All of which when viewed and used for Bible Study in sequential order show a true harmony, an entire picture, of how God the Father communicates His person and His Love to us through Christ Jesus. I would encourage everyone to use this "Curriculum" as the basis for their own personal Bible study or maybe as a group Bible Study program. Learning should be "sequential" and when we learn through this process our understanding of the whole plan of God becomes that much more effective.

God Is for Us Simon Ponsonby 2013-04-22 Simon Ponsonby presents 52 weekly chapters focused around the book of Romans, bringing Paul's greatest letter to life. Blending careful theological and historical detail with illuminating application, this work is somewhat more substantial than most devotionals. No other New Testament epistle has such scope and depth: Touching on every major theological theme, Romans is intellectually and theologically massive. This remarkable epistle has had a huge impact on the Church over the Centuries: Augustine of Hippo, the great architect of Western theology, was converted while reading Romans. Martin Luther's encounter with the text led to a personal revival and the European Reformation. and Dr. Martyn Lloyd Jones refused to teach on Romans for decades until he had grappled with and understood chapter 6. This passionate, illuminating devotional will prove to be a potent means of grace and growth.

Desiring God John Piper 1996 Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

Happy Death Albert Camus 2012-08-08 In his first novel, *A Happy Death*, written when he was in his early twenties and retrieved from his private papers following his death in 1960, Albert Camus laid the foundation for *The Stranger*, focusing in both works on an Algerian clerk who kills a man in cold blood. But he also revealed himself to an extent that he never would in his later fiction. For if *A Happy Death* is the study of a rule-bound being shattering the fetters of his existence, it is also a remarkably candid portrait of its author as a young man. As the novel follows the protagonist, Patrice Mersault, to his victim's house -- and then, fleeing, in

a journey that takes him through stages of exile, hedonism, privation, and death -it gives us a glimpse into the imagination of one of the great writers of the twentieth century. For here is the young Camus himself, in love with the sea and sun, enraptured by women yet disdainful of romantic love, and already formulating the philosophy of action and moral responsibility that would make him central to the thought of our time. Translated from the French by Richard Howard

Answered Prayer Martinson Sarfo 2015-12-03 Prayer is a spiritual weapon that God has given to humanity to enable the world to experience His perfect will and glorious Kingdom. When prayer is answered it brings joy to people and glory to God. Answered prayer also motivates more prayer, and generates miracles, which fuel revival and soul winning into the kingdom of God. Furthermore, answered prayer paralyzes satanic forces, and it creates conducive atmospheres for fruitfulness, personal development and church growth. Unfortunately, many people pray and do not receive answers to their prayer because they "e;pray amiss."e; Therefore, they give up praying and just "e;live"e;, accepting whatever comes their way. Prayer must yield results, and for prayer to yield results it must be done right. In **Answered Prayer**, Rev. Martinson Sarfo provides insight into the dynamics of prayer, and factors that guarantee answered prayer. This book will show you how to pray right and receive answers to your prayers.

Days of Glory with Abba Frances Langford 2020-10-24 Many people want to know their destiny in life. However, the world only offers heartbreak and disappointment. The world has a system to accept or reject humans as if a machine was designed a program to monitor your thinking and actions; it was through the pain of rejection and sin that I came to the fact I wanted to die and not live. With two small babies, I begged God to take my life and kill me. I deserved nothing less but to welcome death with a horrible ending. It was ten years later that I received a personal answer from God. Instead of replying to my former prayer, He gave the opportunity to receive what I have been missing all my life. That day was unexpected as my husband came home and gave me the gospel. I could not believe what he said was truth. Nevertheless, one thing I saw that convinced me that I did not have was the way he was saying it. He was standing behind a glass door dripping with love and I was not able to cross that door. What was that? The rest of the story was a divine intervention by the Holy Spirit. The next morning I came to the Lord for answers. His presence was profound enough to give my life to him. I found a God who "threw my sins into the deepest sea never to remember them again" (Micah 7:19). That was the day I fell in love with Jesus and wanted to know all about him. He is waiting. Just ask in faith believing. I can guarantee that he will show up. *Days of Glory* is written for you and to you Author can be reached at, and encourages contact: defranpeaceonearth@gmail.com

New Life Dale L. Brand

The New Believer's Guide to the Christian Life Alex Early 2016-10-18 What Life as a Christian Really Looks Like New believers need to know what to expect. While many books cover the nuts and bolts of new faith--how to read the Bible, how to pray, how to find a church--in this book, Alex Early focuses on issues of the heart. What are Christians supposed to feel? What happens when they sin? What does God want from them? Designed to challenge and reassure, this book gives a realistic depiction of the Christian life, and includes such topics as how to rest in God's love, what forgiveness looks like when you blow it, what it means to find your identity in Christ, and how to pray with honesty and transparency. God isn't surprised when we struggle, and although being in a relationship with God is amazing, he never promised that this life would be easy. He can handle "real" people, and he pours out his reckless love regardless of what we do or think on any given day. We all need to be reminded of this, but especially those new to the faith. This book is ideal for new believers, but seasoned Christians should also have copies on hand to give away. Includes end-of-chapter questions and a "Christianese to English" glossary.

Silence Satan Kyle Winkler 2014-09-02 Don't let Satan silence your voice You're in a battle for your destiny. When facing any opponent, the better you understand your rival, the better your chances for victory. The devil knows who you are, where you came from, and what pushes your buttons, and he will use it all against you. You need to know the same about him so that you can face and overcome his attacks. Fight back at the foot of the cross Silence Satan reveals the many ways Satan tries to silence us with wounds, accusations, lies, and deceit, and teaches you how to stand strong against him. This battle won't be won with another good message or song. No. It will be won at the place of Satan's defeat--at the cross of Christ. In fact, every answer and solution to the situations we face are found at the cross--not new--but always fresh.

The Fast Buck James Hadley Chase 2000-01-01

International jewel thief, Paul Hater, knows a secret that everyone wants to know - and will go to any lengths to uncover. How long can he remain silent? When Hater is arrested in possession of a stolen necklace, the police use every possible means to persuade him to reveal the location of the rest of the collection. He remains silent and so begins his twenty-year prison sentence. Having exhausted all their leads, the International Detective Agency, acting on behalf of the insurers, must patiently await Hater's release before they can hope to find out more. But just as his day of release approaches, Hater is kidnapped by a ruthless international gang determined to force the secret from him and prepared to go to any lengths to do so....

Putting Meaning Into Your Moments Robert Hoff 2018-10-19

God bless the churches that hear the truth, obey the truth, and teach the truth to others! But there are some churches that seem to be competing with the world to see who can self-destruct first! Hoff, in his book, *Put Meaning Into Your Moments* calls them the New Age church. He defines their errors as corruption and shows how their leaders are like King Saul, who was afraid of the people and did what they demanded. Entertainment-oriented church programs are like new movies that attract people into a theater. After they've seen it a few times, they lose interest. Kids who were initially attracted by drums and amps are now losing interest in the church. Let's just say it, "Liberal Christianity does not last. It's a fraud!" The message of the cross of Jesus Christ has the power of God in it, and the New Age church isn't preaching it! They're just making stuff up. Hoff suggests the problem is with their view of the Bible as an inaccurate narrative of creation, sin, and self. To them, Jesus is a two-thousand-year-old senior who knows nothing about cell phones, so how could He know anything about people today. It would be hard to prove this, but people who used to attend church are, no doubt, still yearning for what they didn't find when they were there. The largest church in the world would be the reassembling of these precious souls. If you can imagine yourself overcoming the frustration that is currently stifling your effect on the world around you, then *Put Meaning Into Your Moments* is your kind of book.

Divine Provision for Holy Living Sola Alabi 2016-07-15

Do you doubt the possibility of Living Holy Life in the current polluted world? This book will prove you wrong. The truth in this book will open you to how to achieve Holy Living in this current age. Colossians David J. Landegent 2017-06-06 Some people can't see the forest for the trees they get so bogged down in details that they lose sight of what it's all about. Others can't see the trees for the forest they miss the wondrous details all around them. So why not look

instead at both the forest and the trees? This commentary on Paul's letter to the Colossians guides you in doing just that. Even though we will be exploring ancient biblical cultures and learning plenty about the Greek language, no prior academic training is needed. Technical terms have been set aside. Instead, with everyday language we will discover the big picture and revel in the fine details of this stunning letter, amazed by how God is still speaking these same words today to contemporary personal and social challenges. We will not then be tourists rapidly zipping through Colossians as if on a monotonous interstate highway. Instead we will be hiking our way through this letter, step by step, phrase by phrase, finding joy in God's truth and growing in our faith. Come and join the journey.

Playing Dead Elizabeth Greenwood 2017-08-15 Is it still possible to fake your own death in the twenty-first century? With six figures of student loan debt, Elizabeth Greenwood was tempted to find out. So off she sets on a darkly comic foray into the world of death fraud, where for \$30,000 a consultant can make you disappear--but your suspicious insurance company might hire a private detective to dig up your coffin...only to find it filled with rocks. Greenwood tracks down a British man who staged a kayaking accident and then returned to live in his own house while all his neighbors thought he was dead. She takes a call from Michael Jackson (no, he's not dead--or so her new acquaintances would have her believe), stalks message boards for people contemplating pseudocide, and gathers intel on black market morgues in the Philippines, where she may or may not obtain some fraudulent goodies of her own. Along the way, she learns that love is a much less common motive than money, and that making your death look like a drowning virtually guarantees that you'll be caught. (Disappearing while hiking, however, is a way great to go.) *Playing Dead* is a charmingly bizarre investigation in the vein of Jon Ronson and Mary Roach into our all-too-human desire to escape from the lives we lead, and the men and women desperate enough to give up their lives--and their families--to start again. "Delivers all the lo-fi spy shenanigans and caught-red-handed schadenfreude you're hoping for." --NPR "A lively romp." --The Boston Globe "Grim fun." --The New York Times "Brilliant topic, absorbing book." --The Seattle Times "The most literally escapist summer read you could hope for." --The Paris Review
