Beneath the Stain Amy Lane 2019-08-13 In a town as small as Tyson, CA, everybody knew the four brothers with the four different fathers--and their penchant for making good music when they weren't getting into trouble. For Mackey Sanders, playing in Outbreak Monkey with his brothers and their friends--especially Grant Adams--made Tyson bearable. But Grant has plans for getting Mackey and the Sanders boys out of Tyson, even if that means staying behind. Between the heartbreak of leaving Grant and the terrifying, glamorous life of rock stardom, Mackey is adrift and sinking fast. When he's hit rock bottom, Trav Ford shows up, courtesy of their record company and a producer who wants to see what Mackey can do if he doesn't flame out first. But cleaning

up his act means coming clean about Grant, and that's not easy to do or say. Mackey might make it with Trav's help--but Trav's not sure he's going to survive falling in love with Mackey. Mackey James Sanders comes with a whole lot of messy, painful baggage, and law-and-order Trav doesn't do messy or painful. And just when Trav thinks they may have mastered every demon in Mackey's past, the biggest, baddest demon of all comes knocking.

Paint It Black Janet Fitch 2006-09-01 "A dark, crooked beauty that fulfills all the promise of *White Oleander* and confirms that Janet Fitch is an artist of the very highest order." --Los Angeles Times Book Review Josie Tyrell, art model, runaway, and denizen of LA's rock scene finds a chance at real love with Michael Faraday, a Harvard dropout and son of a renowned pianist. But when she receives a call from the coroner, asking her to identify her lover's body, her bright dreams all turn to black. As Josie struggles to understand Michael's death and to hold onto the world they shared, she is both attracted to and repelled by his pianist mother, Meredith, who blames Josie for her son's torment. Soon the two women are drawn into a twisted relationship that reflects equal parts distrust and blind need. With the luxurious prose and fever pitch intensity that are her hallmarks, Janet Fitch weaves a

spellbinding tale of love, betrayal, and the possibility of transcendence. "Lushly written, dramatically plotted. . . Fitch's Los Angeles is so real it breathes." --Atlantic Monthly "There is nothing less than a stellar sentence in this novel. Fitch's emotional honesty recalls the work of Joyce Carol Oates, her strychnine sentences the prose of Paula Fox." --Cleveland Plain Dealer "A page-turning psychodrama. . . . Fitch's prose penetrates the inner lives of [her characters] with immediacy and bite." --Publishers Weekly (starred review) "Fitch wonderfully captures the abrasive appeal of punk music, the bohemian, sometimes squalid lifestyle, the performers, the drugs, the alienation. This is crackling fresh stuff you don't read every day." --USA Today "In dysfunctional family narratives, Fitch is to fiction what Eugene O'Neill is to drama." --Chicago Sun-Times "Riveting. . . . An uncommonly accomplished page-turner." --Elle

Just Paint It! Sam Piyasena 2014 *Just Paint It!* is based on the belief that anyone can paint. You don't need to be able to produce "a masterpiece." You don't have to make your painting look like something. You don't have to spend time worrying about composition. Or trying to second-guess how colours are going to mix. Get stuck right in from the start. And along the way, while you're having a good time with the 50 or so ideas in this book, you can expect something amazing to happen: you'll learn to paint!

Paint it Black D. H. C. Carter 2013-07-05 Paint it Black is a historical fictional account of the Vietnam war during the year 1968 from the Black perspective. In his well known style of mixing fiction with literary narrative, Carter takes the reader into the world of the Black soldier as he fights for his country and self during a year that defined American modern history.

And I Paint It Beth Kephart 2021-05-18 A poetic picture-book biography about artist N.C. Wyeth's daughter, Henriette, a talented painter in her own right And I think of the girl I am and the girl I'll be: A painter, like Pa. An actress (maybe). A fairy with wings. A father and daughter sneak away from their big, busy family to paint in the wild landscape. Together, they paint a lily, bright and white as a star; the green growing into the cap of a strawberry; the blue in the sky running pink. Henriette's father is N.C. Wyeth, the famous artist, who encourages her to paint what she sees, to awaken into her dreams, and she does, in this poetic picture book inspired by a famous American family of artists.

Paint it Black W. V. Fitz-Simon 2021-02-11 When chaos reigns and an invisible enemy is out to get her, what can a witch rely on? Only her Doc Martens boots, a switchblade, and ancient magic. Just when Gosha Armitage is getting the hang of being a witch, everything changes. When spells fail and portents of doom foretell a terrible disaster coming in a matter of days, Gosha

suspects the return of a vanished enemy, but no one in the hidden corridors of power will believe her. As the stopwatch ticks down toward the death of thousands and her closest relationships begin to unravel, she must travel beyond the boundary of reality to claim the only prize that will save her. Will Gosha find the enemy's fortress and reach him in time to stop a tragedy that will hurl the world into endless torment? Paint it Black is the fourth installment in the Witch of Cheyne Heath supernatural mystery series from author W. V. Fitz-Simon. If you like eldritch landscapes, desperate quests, and witches who aren't afraid to sacrifice everything for those they hold dear, you'll love this arch and cozy spellpunk adventure. Buy Paint it Black and step into the mysterious, treacherous world of Cheyne Heath today.

Paint it Today Hilda Doolittle 1992-07 This novel, a never before published Roman a clef by the famous imagist writer, H.D. (Hilda Doolittle), that explores H.D.'s love for women, is a lyrical recreation of the love and loss of her friend and first love, Frances Gregg, and of her later meeting with Bryher who was to become H.D.'s lifelong companion. Spanning the years from H.D.'s childhood in Pennsylvania to the birth of her daughter, Perdita, in 1919, this turbulent love story is set against the backdrop of World War I, H.D.'s involvement in early 20th century London literary circles, her brief engagement to American

poet, Ezra Pound, and her shattered marriage to British novelist Richard Aldington. *Paint it Today* is H.D.'s most lesbian novel, a modern, homoerotic tale of passage which focuses almost entirely on the young heroine's search for the sister love which would empower her spiritually, creatively, and sexually. Cassandra Laity's introduction places H.D.'s love for the sexually magnetic, betraying Gregg and for the more nurturing and loyal Bryher in the context of the lesbian romanticism of early modern fiction. Her annotations of all Greek references and literary quotations, as well as, biographical facts represented in the text, provide nuance and detail to this engrossing work.

A Garden of Birds David Jansen 2015-06-05 Join David in this beautiful study of artistic bird painting. David has been painting all varieties of styles of birds for over 35 years. Now, he will take you on a journey through some of his favorite and most popular techniques. Learn how to incorporate those techniques into your own style as he shows you a variety of painting options you can use to capture the image. Rather than render each bird as a realistic impression, David will show you how to use the principle of art to not only paint an accurate rendition of the subject, but also how to turn the subject matter into a beautiful artistic painting using both old techniques from the masters as well as modern techniques from today's favorite styles. Over 700

step photos for the 9 lessons. David also demonstrates how to sketch your subject, draw an accurate representation, turning birds and placing multiple birds in pleasing arrangements that you can then turn into a beautiful work of art with a variety of techniques. New lessons on color theory and mixing as well as multiple palette choices so you can develop your own particular style. If you have ever wanted to learn how to artistically paint beautiful birds, this is the book and video set for you. How to See Color and Paint It Arthur Stern Learn to see and mix any color with extraordinary precision! Many painters don't paint what they see, but what they expect to see, what they think they see, what they remember, or what they imagine things are supposed to look like. Since "the mind stands in the way of the eye," the purpose of this revolutionary book is to train you to paint what your eye actually sees. Arthur Stern claims that color is key to painting what you see. After working with three generations of students, he developed a program of 22 painting projects that teach the artist to observe, identify, mix, match, and paint the colors of the world with

remarkable accuracy. Using a painting knife and oil paint, you learn to analyze every painting subject as a series of distinct color areas—called color spots—and place each spot on the canvas as a unique and vivid mixture. The fundamental lesson of the book is that if you put the right color spot in the right place, you create a realistic image of form, space, surface texture, atmosphere, light, and shade. As you follow the painting projects in this book, you'll make the dramatic discovery that everything in nature is filled with luminous color. You'll learn to see glowing color in the "blackest" shadow and the "whitest" linen. You'll learn when a green can appear red; how to use paint to replicate metal, glass, wood, paper, porcelain, and other opaque, transparent, or textured surfaces. Before long, you'll be seeing a multitude of colors in a slice of bread, apples and oranges, and a mass of green leaves. You'll learn how to paint quickly enough to capture a "live" still life—a flower that moves and slowly dies as you paint it. You'll even practice with a setup outdoors to see how sunlight and skylight affect color. **How to See Color and Paint It** is a must for beginners and a valuable asset for intermediate artists who want to develop a more subtle perception of color. A final section contains beautiful paintings of many subjects that have grown out of projects and ideas taught in this book. 130 color plates; 40 black & white illustrations

Paint It Black PJ Parrish 2010-08-19 Florida's scenic Sereno Key has been shaken to the core by a ritualistic serial killer who is targeting black men, leaving his victims faceless and marked with spray paint. Finished as a cop in Michigan, Louis Kincaid is persuaded to take the case as a PI and he joins forces with rookie FBI profiler, Emily Farantino. But without a badge Louis is trying to work in limbo, not knowing where his limits end, and the suspect's rights begin. Hindered by a false confession, an incompetent county sheriff, and the killer's changing pattern, Louis is still struggling to deal with his demons from his previous case. Before long it becomes clear that these gruesome murders are no ordinary hate crimes, and Louis finds himself the next victim of a predator more twisted than he ever imagined ...

Paint it White Gary Edwards 2011-11-25 In his dedication to Leeds United, Gary Edwards has no rivals. He has seen every Leeds game since 17 January 1968, home and away. League, Cup and Europe. And pre-season friendlies.* Hell, he even watches the reserves in his spare time. Following Leeds, he's been there, done that and designed

the T-shirt. Although a painter and decorator-cum-signwriter-cum-cartoonist, he's never taken a break from his life as a full-time football fan. He's made a name for himself covering over red paint with white for free. He's visited every country in Europe and flown all over the rest of the world to watch Leeds play. If Leeds organised a five-a-side on the moon, he'd be on the first shuttle flight there. Travelling the world to watch hundreds of players run around acres of grass, he's also found time to drink gallons of ale, see oceans of flesh and protect hundreds of animals. He's saved lobsters in Barcelona, clay pigeons in Worksop, frogs in Kuala Lumpur and worms - yes, worms - in Yorkshire. He's been shot at in Greece, run over in Denmark, frightened the king in Sweden and had a beer with an elephant in Bangkok. All this and still found the time to never miss a match or another chance to rid the world of the evil that is red in all its forms. Behind him are almost four decades of Leeds, lunacy, laughter and white paint.
