*Arthur's First Sleepover* Marc Brown 2020-02 Arthur invites Buster and the Brain to a backyard sleepover. The boys have heard rumors about alien sightings, and they run for their lives when they see strange flashing lights in the distance. Things return to normal, however, when they discover that the "alien" is from the planet D.W.Text copyright © 2004 Lectorum Publications, Inc.

*Global Manga* Casey Brienza 2016-03-09 Outside Japan, the term ‘manga’ usually refers to comics originally published in Japan. Yet nowadays many publications labelled ‘manga’ are not translations of Japanese works but rather have been wholly conceived and created elsewhere. These comics, although often derided and dismissed as ‘fake manga’, represent an important but understudied global cultural phenomenon which, controversially, may even point to a future of ‘Japanese’ comics without Japan. This book takes seriously the political economy and cultural production of this so-called ‘global manga’ produced throughout the Americas, Europe, and Asia and explores the conditions under which it arises and flourishes; what counts as ‘manga’ and who gets to decide; the implications of global manga for contemporary economies of cultural and creative labour; the ways in which it is shaped by or mixes with local cultural forms and contexts; and, ultimately, what it means for manga to be ‘authentically’ Japanese in the first place. Presenting new empirical research on the production of global manga culture from scholars across the humanities and social sciences, as well as first person pieces and historical overviews written by global manga artists and industry insiders, Global Manga will appeal to scholars of cultural and media studies, Japanese studies, and popular and visual culture.

**Pokémon: Pikachu's Sticker Activity Book** The Pokémon Company International 2021-02-04 Pika, pika! Join everyone's favourite yellow Pokémon for puzzles, games and crafts. Learn all about Pikachu and discover new Pokémon as you spot the difference, complete sequences and stick over 200 super cool stickers! Also available: Where's Pikachu? **The Animated Movie Guide** Jerry Beck 2005-10-28 Going beyond the box-office hits of Disney and Dreamworks, this guide to every animated movie ever released in the United States covers more than 300 films over the course of nearly 80 years of film history. Well-known films such as Finding Nemo and Shrek are profiled and hundreds of other films, many of them rarely discussed, are analyzed, compared, and catalogued. The origin of the genre and what it takes to make a great animated feature are discussed, and the influence of Japanese animation, computer graphics, and stop-motion puppet techniques are brought into perspective. Every film analysis includes reviews, four-star ratings, background information, plot synopses, accurate running times, consumer tips, and MPAA ratings. Brief guides to made-for-TV movies, direct-to-video releases, foreign films that were never theatrically released in the U.S., and live-action films with significant animation round out the volume.

**Detective Pikachu: Story of the Movie** Pokémon 2019-05-14 Get ready to go on an adventure with Detective Pikachu! The official story of the movie. On the neon streets of Ryme City, people live in harmony

alongside Pokémon: a diverse ecosystem of mysterious and colourful creatures that form a close bond with their human partners. When Tim Goodman's father disappears under suspicious circumstances, he sets out to find him by partnering with a Pokémon like no other: Detective Pikachu, an adorable super-sleuth. But this unlikely pair soon stumble upon a larger mystery: why are so many Pokémon missing ... and who is behind their disappearance? Read the story of the smash-hit movie, starring Ryan Reynolds and Justice Smith.

*Watching Anime, Reading Manga* Fred Patten 2004 Anime's influence can be found in every corner of American media, from film and television to games and graphic arts. And Fred Patten is largely responsible. He was reading manga and watching anime before most of the current generation of fans was born. In fact, it was his active participation in fan clubs and his prolific magazine writing that helped create a market and build American anime fandom into the vibrant community it is today. Watching Anime, Reading Manga gathers together a quarter-century of Patten's lucid observations on the business of anime, fandom, artists, Japanese society and the most influential titles. Illustrated with original fanzine covers and archival photos. Foreword by Carl Macek (Robotech). Fred Patten lives in Los Angeles. "Watching Anime, Reading Manga is a worthwhile addition to your library; it makes good bathroom browsing, cover-to-cover reading, and a worthwhile reference for writing or researching anime and manga, not to mention a window into the history of fandom in the United States." -- SF Site

**Surf's Up, Pikachu** Bill Michaels 2000-01-01 When Pikachu and Ash decide to practice their surfing with the help of Puka, Team Rocket soon finds them, and Pikachu and Puka must surf to safety.

**Pikachu's Global Adventure** Joseph Tobin 2004-01-15 Initially developed in Japan by Nintendo as a computer game, Pokémon swept the globe in the late 1990s. Based on a narrative in which a group of children capture, train, and do battle with over a hundred imaginary creatures, Pokémon quickly diversified into an array of popular products including comic books, a TV show, movies, trading cards, stickers, toys, and clothing. Pokémon eventually became the top grossing children's product of all time. Yet the phenomenon fizzled as quickly as it had ignited. By 2002, the Pokémon craze was mostly over. Pikachu's Global Adventure describes the spectacular, complex, and unpredictable rise and fall of Pokémon in countries around the world. In analyzing the popularity of Pokémon, this innovative volume addresses core debates about the globalization of popular culture and about children's consumption of mass-produced culture. Topics explored include the origins of Pokémon in Japan's valorization of cuteness and traditions of insect collecting and anime; the efforts of Japanese producers and American marketers to localize it for foreign markets by muting its sex, violence, moral ambiguity, and general feeling of Japaneseness; debates about children's vulnerability versus agency as consumers; and the contentious question of Pokémon's educational value and place in school. The contributors include teachers as well as scholars from the fields of anthropology, media studies, sociology, and education. Tracking the reception of Pokémon in Japan, the United States, Great Britain, France, and Israel, they emphasize its significance as the first Japanese cultural product to enjoy substantial worldwide success and challenge western dominance in the global production and circulation of cultural goods. Contributors. Anne Allison, Linda-Renée Bloch, Helen Bromley, Gilles Brougere, David Buckingham, Koichi Iwabuchi, Hirofumi Katsuno, Dafna Lemish, Jeffrey Maret, Julian Sefton-Green, Joseph Tobin, Samuel Tobin, Rebekah Willet, Christine Yano *Pokémon Primers: ABC Book* Simcha Whitehill 2021-03-09 A Pokémon Adventure Through the Alphabet! Dozens of Pokémon can be found in the Pokémon Primers: ABC Book. With Pikachu, Eevee, and all their friends, learning the alphabet has never been more enjoyable. Start off any young child with a journey into the world of Pokémon! This Pokémon Primer offers a captivating storyline and over 100 flaps to lift and reveal, each showing Poké Balls, Berries, and other items! Pokémon named in the book also contain their pronunciations to help both kids and parents alike. Illustrated by Pokémon and written by beloved children's author Simcha Whitehill, this ABC book will create lasting memories. The book will appeal best to younger children, so take your Trainer in training on a Pokémon adventure today!

**Children's Film in the Digital Age** Karin Beeler 2014-12-31 Films of the past 15 years have been released in a number of formats and reflect a reconceptualization of film genres, audiences and the impact of technology on adaptation. Focusing on multiple audiences, film adaptation, nationalism, globalism and consumer culture, this collection of new essays explores how children's film can be re-examined alongside recent developments in their production. These analyses consider the effect of multimedia strategies on the

child audience, and the opportunities for participation and their pedagogical implications. The essays also address how childhood is embedded within films and linked to various consumer contexts.

*Pikachu in Love* Tracey West 2003-01-01 Uh-oh! Jessie and James drank Shuckle juice. The juice makes Pokemon fall in love with them. Can Ash find a cure? Or will Pikachu love Team Rocket forever?
