articles. The accompanying eText features sample student answers with linked verb scaffolds and a range of additional resources.

**HSC Year 11 Biology Topic Tests** 2020-08  
**The Female Athlete Triad** Catherine M. Gordon 2014-10-28 This is the first book of its kind to focus solely on the female athlete triad - its origins, its recognition, and most importantly, its management. Since the symptoms themselves cover a range of medical specialties, chapters are written by experts in a number of relevant fields - sports medicine, orthopedics, endocrinology, and pediatrics - with an eye toward overall care of the young female athlete. Additionally, each chapter includes suggestions on how to educate and communicate with young athletes and their parents, as well as trainers and coaches, on how to manage the illness outside of the direct clinical setting. The female athlete triad is often seen in sports where low body weight is emphasized, such as gymnastics, figure skating, and running, though it can

appear in any sport or activity. The interrelated symptoms - eating disorders, amenorrhea, and low bone mass - exist on a spectrum of severity and are serious and potentially life-threatening if not properly treated. Psychological problems, in addition to medical ones, are not uncommon.

*The Female Athlete Triad: A Clinical Guide* discusses all of these areas for a well-rounded and in-depth approach to the phenomenon and will be a useful reference for any clinician working with female athletes across the lifespan.

*Jacaranda Outcomes 1 Personal Development, Health and Physical Education Preliminary Course 5E eBookPLUS and Print* R. Ruskin

2018-10 Jacaranda Outcomes 1 PDHPE

Preliminary Course 5e Print & eBookPLUS This print and digital title provides rigorous adherence to the PDHPE Stage 6 Syllabus.

Written by an experienced author team led by Ron Ruskin, the latest edition includes information on current trends and health promotion campaigns, alongside up-to-date data

and statistics. A new refreshed design makes the content easy to follow and engaging, with updated figures and artwork. The new edition of *Jacaranda Outcomes 1 PDHPE Preliminary Course* includes these key updates: Brand-new case studies and examples of health promotion campaigns, as well as fitness trends and technology and the effect of social media on mental health; The most up-to-date data and statistics on fitness and risk factors for health; Updates to test ratings and norms, including the Yo-Yo test; Improved content on velocity and acceleration; The issues and priorities in Australia's health section (Core 1) has been completely updated, including new tables, graphs and figures; Updates to the DRSABCD protocols and the legal implications of first aid. An access code for the eBookPLUS comes free on the inside cover of your printed text, so you can make the most of both the print and digital formats.

*Ethics and the Legal Profession* Elliot D. Cohen

2009 Beneficial for law or philosophy students, or practicing lawyers, Ethics and the Legal Profession includes articles by eminent philosophers and lawyers that explore moral problems in legal practice. The text is divided into six sections, each dealing with an important issue: The History and Organization of the Profession in the United States; The Moral Critique of Professionalism; The Adversary System; Conflict of Interest and Professional Judgment; Perjury and Confidentiality; and Making Legal Services Available. Combining in-depth case studies with careful analysis, the editors help students and professionals distinguish between moral and technical judgment, become clearer about the meaning of moral discourse in the workplace, and better appreciate the higher callings of their profession. Raising provocative questions about the rationale and limits of professional responsibility, this text provides insights into the ethics of the legal profession at a time when

technology, globalization, and the changing economics of lawyering are reshaping the profession of law in ways still hard to predict.

**Jacaranda Outcomes 2 Personal Development, Health and Physical Education HSC Course 6E EBookPLUS and Print** R. Ruskin 2018-08
